Tala,

Sorry they did go back and add analog information to the report on P-18-0265. I still had an inhalation risk with a fold factor of 1.8.

Tala,

Do you know the status of RAD's efforts to revise the Health Assessment for this case?

Carmen,

Can I give you a call on Monday afternoon? Both Jeff and Rose are out of the office today and I would like to speak with them before I speak with you.

Dear Mr. Schweer,

I noted from your out of office message that you would be back in this week. I am hoping you will be able to find my email below, and help us understand timing and/or issues.

Thank you much,

Carmen Reznik
